

The Tallest Tower Challenge			
Teams			
Blue	Green	Red	Orange
A. Wahab	Tajammal	Ahsan	Suhaib
Bilal	M Ali	Intazar	Qasid
Abdullah	Kashif	Farwa	Sehar
Maryam	Faiza	Sadia	Abeera
Naveed	Faria	Amjid	Sikandar

### Organisers: Waheed, Adeel

The organizers will announce the winning team, and their decision will be final. A cash prize will be awarded to the winners as a token of appreciation.

### General Setup

Materials Provided: Each team will get the same set of materials (e.g., spaghetti, tape, marshmallows, thread, Scissor etc.).

Time Limit – Teams must complete their tower within 15 minutes.

Team Size: Each team consists of 5 members to ensure participation without overcrowding.

### Rules During Building

Hands-On Participation – Every member must contribute (cutting, folding, taping, holding, planning, etc.).

No Outside Help – Teams may not use external tools, devices, or extra materials beyond what is provided.

No Sabotage – Teams cannot interfere with or touch another team's tower.

Communication Only Within Team – No collaboration or idea-sharing between teams once the challenge begins.

Safety First – Scissors, cutters, or sharp objects (if allowed) must be handled carefully.

### Tower Requirements

Freestanding – The tower must stand on its own (no leaning on walls, tables, or people).

Height Measurement – The winner is the team with the tallest standing tower at the end of the time limit.

Stability Rule – The tower must remain standing for at least 20 seconds during measurement.

Base Restriction – Towers must be built only on the floor or assigned workspace(table)
